CVS Contributor Form
for contributing code to Mozilla.org

In order to become a contributor with read/write access to the Mozilla.org CVS source you must agree to the terms below, and indicate so by completing and signing this agreement and returning it to Mozilla.org.

1.<u>Contact Information</u>

Name: ____

Company: ____

Email: ____

Phone number: ____

Address:____

Entity Contributing Code: ____

(This should be either the same name as the individual named above, or the company named above.)

If the Entity Contributing Code is the Company named above, then I confirm that an appropriate person at the Company has authorized the release of code to Mozilla.org under the terms of this agreement.

Contributor's Mozilla.org account username will be the email address (above) with the '@' character replaced by '%'. Contributor will not allow anyone other than Contributor to use this account or username to access Mozilla.org systems. Should Contributor become aware of any such use, Contributor will notify Mozilla.org immediately. Mozilla.org will have complete control and discretion over capabilities assigned to Contributor's account. Mozilla.org may disable Contributor's account for any reason at any time. Contributor's name and account will be visible worldwide via the Internet.

2. <u>License Terms</u>. Code to be contributed to Mozilla.org or posted to the Mozilla.org CVS ("Contributed Code") will be governed by the Netscape Public License ("NPL") or Mozilla Public License ("MPL") or another license acceptable to Mozilla.org. Other licenses are not acceptable by Mozilla.org until Mozilla.org declares them to be acceptable in writing.

3. <u>Identification of Code</u>

All checkins made under Contributor's account will be attributable to Contributor and will be Contributor's responsibility.

4. <u>Ownership:</u>

Contributor agrees that Contributor will not provide any code to Mozilla.org unless Contributor has full rights to publish and license such code in a public way. Contributor agrees Contributor will violate no copyright or license or other intellectual property law in any contributions Contributor may make. Contributor will not modify statements of copyright or ownership in any code Contributor modifies or contributes.

5. <u>Cryptography</u>:

Contributor understands that cryptographic code may be subject to limits on export with which Mozilla.org must comply, and that Internet visibility may constitute export. Contributor agrees that any code which Contributor contributes or posts to Mozilla.org will not contain any:

i) cryptographic capabilities or features; or
ii) calls to cryptographic features; or
iii) user interface elements which provide context relating to cryptography; or
iv) code which may, under casual inspection, appear to be cryptographic

6. <u>Illegal Code</u>:

Contributor agrees that Contributor will not provide any code to Mozilla.org that violates any law, breaches any contract, libels any person or entity or otherwise violate the rights of any person or entity.

7. <u>Intellectual Property and Notices</u>:

Contributor confirms that any notices required by Sections 3.3, 3.4, 3.5 or Section 4 of the NPL or MPL will be included in any Contributed Code.
